

MISCELLANEOUS USERS FEES:

- **Entrance Fees** - Entrance fees are required in all fee areas. Additional fees are assessed for camping, boating and group use areas.
- **Annual Entrance Permits** - These permits are issued for a specific park and authorize the holder to enter that park without paying the entrance fee for 12 months. An additional fee is required for camping, boating, group use areas and to attend special events.
- **Passport Permit** – A passport permit fee of \$100.00 can be purchased for entrance only, which authorizes the holder to enter all parks and use of the facilities of the park without paying the entrance fees for 12 months. An additional fee is required for camping, boating or group use areas or to attend special events.
- **Additional Permits.** At the time of initial purchase of a permit (annual entrance, multi-use, and boating) or within 30 days, but prior to 12/31, an additional permit can be purchased for additional vehicles at a 50% discount. The other vehicles on the additional permit have to be registered to the same owner.
- **Senior Citizen Permits** - A 5 year resident of Nevada 65 years of age or older applying for a Senior Permit will be issued an annual permit for a \$30.00 administrative fee upon confirmation of their age and Nevada residency. This permit lasts for 12 months, applies to all parks and waives the entrance, boating and camping fees. An additional fee is required for reservations, special events, boat slip rental, yurt reservation, utility hook-ups or other special program fees.
- **Discount** – A \$1.00 discount off the entrance fee is available for a person who holds a disability placard and presents it upon entrance to a park.
- **Service Fee** – If a user does not deposit the required fee in the available self-service devices, a user fee of \$2.00 will be charged.
- **Replacement Permits** – A \$10.00 fee will be charged to replace an annual permit, passport permit or senior citizen permit.
- **R.V. Dump Stations** - The charge for use of sanitary dump stations by persons not camping in a state park is the entrance fee.
- **Showers** - The entrance fee will be charged for use of showers by a person not camping in the park.
- **Commercial Bus Tours** - The established entrance fee or \$2 per person, whichever is greater OR the fee established by a special use permit will be charged.
- **Firewood** - Firewood may be purchased at some parks. Firewood gathering is prohibited in all parks.

- **Photography** - Photography intended for commercial purposes for more than one vehicle or more than five persons requires a commercial photography permit with fees allocated in accordance with NAC 407.050(4). Contact the park supervisor for details.
- **Walk, Bicycle, By Vessel or Horse Ride In Fee** - \$1 per person is charged in all parks having an entrance fee. For Lake Tahoe-Spooner a \$2.00 entrance fee will be charged for each person who rides in on a bike.
- **Off Highway Vehicles (OHV) Fee** - \$2.00 per OHV is charged in parks allowing OHV operation.
- **Additional Watercraft Fees** - \$2.00 will be charged for each watercraft in excess of two that are being launched from a boat ramp.
- **Towed in Equipment** – A fee will not be charged for a vehicle that is towed into the park for transportation within the park.
- **Hook-ups** – There is a \$10 fee per vehicle per night for the use of one or more utility hook-ups at parks where applicable.
  - Campsites will be limited to a maximum of two (2) vehicles and eight (8) people). At the discretion of the park supervisor, the number of units/people per site may vary.
  - The initial camping vehicle will be assessed the full fee for entrance and camping.
  - One additional dependent vehicle will be allowed in the same site and will only be charged the park entrance fee for the days the vehicle occupies the site. A dependent vehicle is a non-camping vehicle that accompanies and plans to share accommodations of another camper.
  - Two motorcycles will be allowed to occupy a single camp site if they pay the camping fee plus the appropriate day fee for the second motorcycle.
  - In the event two independent camping vehicles choose to camp in a single site and both connect to utilities, they will both be assessed a separate camping and utility connection fee.

WHERE YOUR MONEY GOES

State Park user fees contribute a portion of the total monies required to maintain and operate our state parks. They represent only one of several funding sources used to provide the services, facilities and resources available for your enjoyment.
